

Your garden waste collection day is **TUESDAY**

From **27 September** your garden waste collections will take place on a four week collection cycle. Please check your collection dates up until Christmas.

How to manage extra garden waste

- Recycling centres are open as normal if you are unable to store all your garden waste at home.
- Home composting what you can is a good way to reduce the amount of garden waste going in your green bin.

Month	Date
September 21	
October 21	12
November 21	9
December 21	7

Order a discounted 220 litre compost bin for just £10 until end of the year at www.n-somerset.gov.uk/composting
