

In 2016 the Government Transport Fund provided a grant that allowed us to purchase a new minibus for the Community.

We now need more volunteer drivers and organisers to help us provide transport in the Community --- could you spare a few hours every month?

We provide transport for our members, who are made up of pre-school, primary school children, W.I., Churchill Music, Stroke Association, Good Companions Scheme, Poppy Club, Churchill Social Club, Church Lunch Club, Sunday Lunch Club, Disabled, Elderly and residents of all ages living in the Parishes that we cover.

Want to know more about how you could help us and the community?
